The resolution also authorizes the publication of the Notice of Sale of the Bonds and establishes the maximum cost an underwriter or bank may bid for the bonds. It also establishes a bid committee who will award the bonds to the lowest bidder.

This resolution also approves the form of the Master Continuing Disclosure Undertaking and the Registrar and Paying Agent Agreement. The Securities and Exchange Commission requires

that a school corporation enter into a Master Continuing Disclosure Undertaking before it issues bonds. The School Corporation has entered into this type of agreement previously. It basically requires that the School Corporation agree to annually provide certain types of financial information to the SEC's EMMA database and provide notice of certain material events on a timely basis.
