

Digital Features of CVS Caremark®

Whether you are most comfortable using your desktop or the mobile app on your smart phone, your laptop or iPad, CVS Caremark can help you digitally manage your prescription benefits.

Here's just a few of the things you can do with CVS Caremark's digital tools:

- **Check Drug Cost and Coverage**
Find out how much your medication will cost under your plan and whether there are opportunities to save money
- **Get Started with Delivery by Mail**
At Caremark.com, use the Request a New Prescription feature to enter the name and strength of your medication and your doctor's name. Or, use the mobile app to take and send a picture of your written prescription. We'll handle the rest.
- **Easy Refills**
Refill your mail order prescription without logging in. Just enter the prescription number from your pill bottle and your date of birth.
- **Manage Your Profile**
Set or change notifications, change your shipping, billing or contact information, and more.
- **View ID Card**
You'll always have your member ID card available, which you can view and/or print from Caremark.com or access direct from your mobile app
- **Pharmacy Locator**
Find network pharmacies near you by entering a city and state or zip code at Caremark.com, or by using your current location with the CVS Caremark mobile app.

Register today at [Caremark.com/Start](https://www.caremark.com/start) or download the CVS Caremark mobile app to explore all of the features.
