#### Strategic Plan Updates

COVID Updates- New bylaws were passed by the Marshall County Health Department to have close contacts only wear a mask for 10 days as long as they are not symptomatic. If symptomatic they will be in quarantine for 5 days and then wear a mask for 5 days. All students should be face to face tomorrow. Continued sanitation. Teachers will be getting sanitation wipes for their classroom. Temperature checks are still being done at the bus stop and entry to the building.

CYC Building- Planning on moving CYC back to the Elementary building. Will be working on the READI Grant to help pay for programming to attract more families to move to Culver full time. This will help with childcare for local families.
