

REVISED POLICY - VOL. 26, NO. 2

USE OF TOBACCO BY ADMINISTRATORS

The Board recognizes that the use of tobacco presents a health hazard that can have serious consequences both for the user and the nonuser and is, therefore, of concern to the Board.

For purposes of this policy, "use of tobacco" shall mean all uses of tobacco, including a cigar, cigarette, pipe, snuff, or any other matter or substance that contains tobacco, as well as electronic, "vapor," or other substitute forms of cigarettes.

In order to protect students and staff who choose not to use tobacco from an environment noxious to them, and because the Board cannot, even by indirection, condone the use of tobacco, the Board prohibits the use of tobacco by administrators at all times within any facility owned or leased or contracted for by the Board.
