NEW: Indiana Early Literacy Achievement Grant

IDOE's Early Literacy Achievement Grant was established to reward schools and teachers for improving students' foundational reading skills. Additional guidance for public school corporations and charter schools can be found [here](#). Recipients can anticipate distribution of funds by Friday, December 13. Refer to the [frequently asked questions document](#) for additional information. Contact IDOE's Literacy Center with any questions.

6 Who should I distribute funds to from the allocation?

Early Literacy Achievement Grant funds shall be allocated among and used only to pay cash stipends to teachers, instructional coaches, and other school staff responsible for the implementation and delivery of literacy and reading instruction through grade three during the 2023-2024 school year and who maintain employment within the corporation/charter school on the date of distribution.

Local decisions can be made based on role type and level of influence on early literacy and reading within the context of the eligibility parameters provided. However, Stipends shall not be issued to administrators and/or central office staff.

I believe last year we did all Prek-3 teachers, title 1 aides, Title 1 teachers, prek aides, special ed teachers, and special ed aides.

So we'd have: Priscilla Falk, Cherri Moore, Ali Neace, Abbi Kisela, Beth Dolezal, Madison Bodine, Carey Otteman, Kelly Young, Alyssa Robinson, Amy Bonine, Paula Krause, Heather Overmyer, Emily Woodward, Lisa Elliott, Janet Baker, Courtney Good, Carrie Tharp, Marie Dzomba, Val Cultice, Chris Renneker, Teri Zechiel, Becky Risner, Claudia Surguy, Jill Hyndman, Jordan Russell, Terry Krsek

I believe that is the comprehensive list?
