

AHERA ANNUAL NOTICE CULVER COMMUNITY SCHOOLS CORPORATION

This information is being published to comply with the requirements of 40 CFR 763 Subpart E Asbestos Containing Materials in Schools. This regulation, commonly known as the "AHERA" rule, requires local education agencies, such as this one, to perform certain tasks in regards to the presence and control of asbestos containing materials in the buildings under the jurisdiction of the local education agency.

These include but are not limited to:

1. Developing an asbestos management plan, which is designed to outline procedures and guidelines for the initial inspection, triennial reinspections, and the 6 month periodic surveillance of asbestos-containing materials that are present in the buildings.
2. Provide awareness training and additional training to selected school employees.
3. Periodically notify all workers and occupants, or their local guardians, parent/teacher organizations, and collective bargaining organizations of same and the times that the plans may be reviewed.

This notification is to advise all patrons, occupants, or their legal guardians, collective bargaining organizations, and parent-teachers organizations, that the asbestos management plans required under this act are available for review upon request. The plans can be viewed by any person during normal business hours of the particular school. Interested parties wishing to inquire about the plans should contact the individual school office. Digital copies of the plans for all buildings under the jurisdiction of this local education agency are available by request at the Administration building, which is located at 700 School Street, Culver, Indiana 46451; telephone number (574) 842-3364. Inquiries regarding any facet of the regulation or the management plans should be directed to Mr. Chuck Kitchell at the above telephone number during regular business hours. Mr. Kitchell can also be reached at Culver Elementary School, (574) 842-3389.
