Re: Summer Band
Date: March 10, 2023

This is my summer band proposal for 2023. It is the same as 2022.

High School Band

20 hours of parade rehearsal
4 hours for parades

Total = 24 hours (high school time)

Beginners

This would be a class for any current 4th grader or any other student who wants to join band for the first time. 1 hour/day for 5 days = 5 hours per student. 6 periods per day for classes (Flutes, Clarinets, Alto Saxophones, Trumpets, Low Brass, Percussion)

6 hours/day X 5 days = 30 hours

54 hours = Total Summer Band Program

This proposal has been reduced by 68 hours from the 2009 schedule.

Musically yours,

Jason W. Crittendon, Band Director
